¹ Aged 16-64 for men, 16-59 for women. Table does not include those whose type of employer or country of birth was not known.

² It should be noted that public and private sector estimates;

- are based on survey respondents' views about the organisation for which they work;

- do not correspond to the National Accounts definition used for Public Sector Employment estimates.

³ Includes self-employed and unpaid family workers.

It should be noted that the above estimates exclude people in most types of communal establishment (e.g. hotels, boarding houses, hostels mobile home sites etc.)
